The GATE 2016 score is calculated using the formula

GATE Score = $S_q + (S_t - S_q) \frac{(M - M_q)}{(\overline{M}_t - M_q)}$

where,

M is the marks obtained by the candidate in the paper, mentioned on this scorecard in GATE 2016

 M_a is the qualifying marks for general category candidate in the paper

 \overline{M}_i is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

 S_a = 350, is the score assigned to M_a

 S_i = 900, is the score assigned to M_i

In the GATE 2016 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2016 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Dear Candidate,

I am pleased to inform you that you have qualified the UGC-NET for Junior Research Fellowship (JRF) held on 24th December, 2011. You are now eligible for being considered by Universities/Institutions in India, for the award of JRF. The validity of the offer is two years from the date of issue of this letter. The commencement of fellowship will depend upon your joining M.Phil./Ph.D. programme. In case you have joined M.Phil./Ph.D. programme prior to the declaration of NET result, you will be eligible to get the fellowship from the date of declaration of NET result, i.e., 15th June, 2012.

It may please be noted that the award of JRF will be made by the Universities/Institutions in accordance with the procedure already communicated to them and not by UGC. You are, therefore, advised to contact the University/Institution in which you have already registered or wish to pursue M.Phil. or Ph.D. for the award of Junior Research Fellowship.

The concerned Institution should verify the original certificates of the candidate. Wherever PH or VH appears in the UGC Ref. No., the relevant documents of Physical or Visual disability should be checked. It should also be verified whether the candidates fulfill the minimum eligibility conditions for Junior Research Fellowship, i.e., at least 55% marks in Master's Degree (or) equivalent examination from a University/Institution recognised by UGC for General/OBC(Non-creamy layer) and 50% for SC/ST/PH/VH candidates within two years from the date of declaration of UGC-NET result.

The candidate should not be more than 28 years of age as on the first day of the month of the concerned UGC-NET (i.e., 01/12/2011), relaxable by five years for SC/ST/OBC(Non-creamy layer)/PH/VH and female candidates. Relaxation in age up to 3 years is provided to candidates who have done LLM and to research scholars for the period of research. Total relaxation on the above ground(s) can not exceed five years.

The e-Certificate for lectureship eligibility has already been uploaded on www.ugcnetonline.in.

With best wishes, Yours faithfully
